

### 20 Gallon Spill Kits

#### L90410, L90410R, L90942, L90942R, L90894, L90894R

**Issue:** Most plants or fleets that encounter leaks, drips, sprays or spills and are required to maintain a spill control plan. Potential safety hazards are present around machinery or storage areas where a risk of injury or chemical reaction is possible.

**Solution:** Be prepared with a spill control plan that can be implemented with absorbent products readily available, either to use in case of an emergency, or to control daily leaks and spills that may occur.

**Description:** OIL-DRI® offers spill kits designed for universal, oil only and haz mat applications. These spill kits have all the tools needed for emergency cleanup! All items come packed in a sturdy 65 gallon overpack for easy storage.
