

### 65 GALLON SPILL KITS & REFILLS L90765, L90765R, L90865, L90865R, L90965, L90965R

**Issue:** Most plants or fleets that encounter leaks, drips, sprays or spills and are required to maintain a spill control plan. Potential safety hazards are present around machinery or storage areas where a risk of injury or chemical reaction is possible.

**Solution:** Be prepared with a spill control plan that can be implemented with absorbent products readily available, either to use in case of an emergency, or to control daily leaks and spills that may occur.

**Description:** OIL-DRI® offers mobile spill kits designed for universal, haz mat and oil only applications. These spill kits have all the tools needed for emergency cleanup! All items come packed in a sturdy overpack. Kits are designed to absorb up to 65 gallons.
