

## PRODUCT DATA SHEET

### OIL-DRI SWEEPING COMPOUND

**Issue:** Cleaning up dusty work environments can be a safety hazard as dust and debris become airborne and respirable (breathable) while sweeping. In addition, airborne dust and debris will re-settle elsewhere on the floor causing a need to be swept up again.

**Solution:** A plan should be developed with products readily available to gather dust and debris while sweeping your floors .

**Description:** Sweeping compound is a moist product that is pushed in front of a broom, trapping dust and dirt within the compound and preventing dust from becoming airborne and resettling. The very purpose of sweeping compound is to reduce and control breathable airborne dust while sweeping in the workplace.

**Formulation:** Oil-Dri® sweeping compound is available in four unique formulas designed for specific industry needs and applications. Each formula is available with red or green non-toxic dye.

Unused material is suitable for disposal in sanitary landfill. Disposal procedures for used material are based on nature of fluid absorbed. Please comply with all local, state and federal environmental regulations when disposing of this product.

Oil-Dri is a leader in developing, manufacturing and marketing sorbent products and has been making work environments cleaner and safer for nearly 70 years. With such a rich history, the Oil-Dri brand is trusted and recognized coast-to-coast. Our offerings include top quality granular absorbents as well as a complete line of synthetic absorbents such as polypropylene pads, socks, rolls, pillows, booms and emergency response spill kits. The versatility of our product line allows us to provide sorbent solutions for all of your maintenance and safety needs.

# Order Your Oil-Dri Sweeping Compound Today!

## Mighty Sweep (sanded, oil base)

Our most popular sweeping compound contains sand as an abrasive to loosen grime and dirt that may be stuck on work floors. Mighty Sweep is ideal for unfinished wood and concrete floors. It is mainly used in the construction industry, warehouses, boat yards, factories, garages and anywhere heavy-duty cleaning is a must.

| Description          | Green Item # | Red Item # | Pallet Qty |
|----------------------|--------------|------------|------------|
| Sanded, 50 lb. box   | L91050MG     | L91050MR   | 48         |
| Sanded, 100 lb. box  | L91100MG     | L91100MR   | 24         |
| Sanded, 300 lb. drum | L91300MG     | L91300MR   | 4          |

## Ready Sweep (non-sanded, oil base)

Ready when you are, this non-abrasive sweeping compound is safe to use on any floor. Perfect for collecting dirt and dust on all types of wood, tile, terrazzo, and finished concrete floors without scratching. Ready Sweep is ideal for use in stores, warehouses, institutions, churches, restaurants, factories, schools and homes.
