

Haz Mat Absorbents Product Data Sheet

Haz Mat Pads L90834

Issue: Potential safety hazards are present around machines or in storage areas where leaks, drips, sprays or spills are most likely to occur.

Solution: A spill control plan should be developed with absorbent products readily available to control daily leaks and spills around your plant or to use in case of an emergency.

Description: OIL-DRI® Haz Mat Pads should be a part of every spill control plan. These bonded pads are extra durable to handle all aggressive and leaks and spills.

Features & Benefits:

- **Eliminates Guesswork** - Can be used on all liquids including acids and bases and unknown liquids
- **Superior Retention** - Holds liquids in
- **Yellow** - The widely recognized color for "CAUTION" and the industry standard for haz mat sorbents
- **Durable** - Bonded for strength, will not tear apart in normal conditions
- **Incinerable** - Reduces disposal costs

Product Specifications:

- **Composition:** Chemically Inert Polypropylene
- **Color:** Yellow
