

Garage Guard Poly Backed Rug L90695, L90696, L90793, L90691

Issue: Potential safety hazards are present around machines or in storage areas where leaks, drips, sprays or spills are most likely to occur.

Solution: A spill control plan should be developed with absorbent products readily available to control daily leaks and spills around your plant or to use in case of an emergency.

Description: OIL-DRI® Garage Guard and Poly Backed Industrial Rug shields and protects garage floors and work surfaces by absorbing fluids without allowing them to penetrate the non-slip poly backing. Easily cuts to any shape for multiple uses. Won't rip or tear even saturated
