

PRODUCT DATA SHEET

RESORB GRANULAR CELLULOSE ABSORBENT L92889G65, L92825G80

Issue: Most facilities are required to maintain a spill control plan with the appropriate materials on hand to handle leaks, drips, sprays or spills. Responsible facilities are changing their buying practices to become more environmentally conscious. New products are being developed to meet this ever growing demand.

Solution: The use of all natural recycled absorbents will support your efforts toward environmental sustainability. Be prepared with earth friendly products readily available for daily leaks and spills in your facility or to keep on hand in case of emergency.

Description: Oil-Dri® Resorb Granular should be a part of every environmentally conscious spill control plan. Made from 100% recycled paper products, this environmentally friendly product makes an excellent industrial absorbent. Specially created to look and feel like a traditional clay absorbent.

Features & Benefits:

- **Earth Friendly** - Made from 100% recycled paper products
- **Highly Absorbent** - Absorbency rate is 1 to 1.
This product will absorb it's weight in fluid
- **Maintains Hardness** - Granules do not break down into a mushy mess like traditional cellulose absorbents.
- **Superior Retention** - Because granules maintain form, they hold fluids in for quick & easy clean ups
- **Versatile** - Absorb oil, grease, coolants, lubricants, paint, water and more
- **100% Incinerable** - Reduce disposal costs.

Disposal: Oil-Dri products must be disposed of in compliance with local, state and federal regulations. Since various fluids absorbed may be of toxic or hazardous in nature, Oil-Dri does not recommend disposal procedures.

ITEM#	DESCRIPTION	BAGS/PALLET	BAG SIZE	UPC
L92825G80	25lb Cellulose Absorbent	80	24" x 15" x 5"	041788928254
L92889G65	30lb Cellulose Absorbent	65	23" x 14" x 4"	041788928896

Unused material is suitable for disposal in sanitary landfill. Disposal procedures for used material are based on nature of fluid absorbed. Please comply with all local, state and federal environmental regulations when disposing of this product.

Oil-Dri is a leader in developing, manufacturing and marketing sorbent products and has been making work environments cleaner and safer for nearly 70 years. With such a rich history, the Oil-Dri brand is trusted and recognized coast-to-coast. Our offerings include top quality granular absorbents as well as a complete line of synthetic absorbents such as polypropylene pads, socks, rolls, pillows, booms and emergency response spill kits. The versatility of our product line allows us to provide sorbent solutions for all of your maintenance and safety needs.
